

## **Rhythms for Solo Dance**

All skaters, coaches, officials and competition organisers are advised that with the recently introduced Original Dance as part of the Solo Dance events, the plan to use the matching ISU Rhythm for the season is not possible for the 2010 / 2011 season given that the ISU Rhythm for this season has not as yet been released.

Therefore the rhythms that will be used for this season (2010 / 2011) will be the same as for Couples Dance as per the ISA Rulebook:

- Pre-Primary – Group 3 – March
- Primary – Group 3 – March
- Open – Group 3 – Polka
- Adult – Group 3 - March
