

State Championships & Spring Cup 2016

The following change rooms have been allocated:

Men: Josef Milano, Ashley Stuart, Joshua Mercer, Todd England - The room just before the Zamboni area (used in the past as a First Aid Room).

Breakaway and Mixed Company: Change Room with white door just past the Skate School Office

AIM Mixed Age, Basic Novice, and Starlights: Change Room 4

Firebirds: Corner change room near the South West Fire Exit.

There should be plenty of time for teams to change between the Official Practices and the competition in these allocated rooms.

Organising skaters and teams within the allocated rooms for pre-comp preparations will be left up to the coaches.

Hopefully this will work well and we won't have to move to strictly timed change room allocations in the future.
