

Notice to Members re Return to Sport

From 1 June 2020, South Australia transitions to Step 2 of the [South Australian Roadmap For Easing COVID-19 Restrictions](#) (the Roadmap). This step will allow the gradual return to indoor sports provided it remains safe to do so.

SAISA continues to monitor the situation by attending multiple briefings (via Zoom) with the Minister for Sport and the Office for Recreation Sport and Racing (ORSR) as well as with Sport SA. We are also liaising with Ice Skating Australia (ISA) and monitoring advice and guidance from the International Skating Union (ISU). SAISA also liaises with rink management and can advise you that maintenance work is being carried out while planning to open the rink as soon as possible.

SAISA will provide an update on tests and competitions when more information about re-opening is available.

A summary of current Step 2 restrictions in the Roadmap relevant to indoor ice sports is below. You will be aware that each State has a slightly different time line for recovery; the points below apply to SA at present. The Minister for Sport advised that there may be several 'mini steps' added to Step 2 along the Roadmap to Step 3.

Kind regards,
SAISA Board

Please note the following requirements in accordance with Step 2 of the Roadmap:

COVID-Safe Plan

- Clubs/organisations who were forced to closed must fill in a [COVID-Safe Plan](#) **before** recommencing activities.

Social Distancing

- Social distancing measures must still be followed
- 1 person per 4 square metres
- 1.5 metres between people

Gatherings

- A maximum of 80 people may gather at a multi-area venue as a whole
- A maximum of 20 people are permitted per group/room

Indoor sport

- Non-contact sport training and competition can commence from 1 June 2020
- Contact sport: non-contact skills training can commence from 1 June 2020
- Contact sport: contact training can recommence from 25 June 2020
- Contact competition cannot yet recommence

Communal facilities

- Communal changing rooms, shower facilities are not permitted to be used and must remain closed, but toilet facilities may be made available

Contact Tracing Form

- All participants are required to provide their name and phone number or email address on a [Contact Tracing Form](#) when attending an activity. The person conducting the activity retains a record of those contact details and produces them at the request of an authorised officer
