

SAISA Membership fees 2021

- Membership is from 1 January to 31 December
- Late fees do not apply to new members joining throughout the year
- There is no pro rata joining fee, for part way through the year
- Members must renew each year prior to taking part in any Sanctioned or Un-sanctioned events (competitions, seminars, tests, shows)
- Registration with the national body for ice skating, Ice Skating Australia Inc. (ISA), is covered in the fee except for Aussie Skaters who must be registered with a skate school
- The fee for insurance under [ISA's National Insurance Scheme](#) is also included in the membership fee (except for Aussie Skates, see next dot point). The scheme has sports injury, sports management and liability cover
- The Aussie Skater membership fee acknowledges that registered Aussie Skaters are already covered under [Aussie Skate National Registration and Insurance Scheme](#)
- Aussie Skate members may upgrade to ISA Skater level members at any time it is required by applying for the upgrade membership and paying the difference in fees
