

SAISA Test Applications 2021

- **More than one test on the same day** - Applicants must discuss this with the Test Convener BEFORE submitting the form and payments. Applicants wishing to take tests of different levels should be aware that if the lower-level test is not passed the higher level test cannot be taken and the fee is forfeited. Contact the Test Convener via email admin@saisa.org.au
- **Competition eligibility and Test levels** - Test levels should be achieved **BEFORE** the close of entries of a competition. Please take this into account in your training plan and consider the 28-day Rule for failed tests.
- **28-day Rule** - If a test is not passed the skater cannot be judged again for that test before the 28th day after the failed test (ISA Rule 204).
- **Test closing dates** - Closing dates need to be set so that qualified judges can be organised to attend and ice bookings can be confirmed, adjusted to the length of time needed or cancelled without incurring the ice hire fee. Three weeks before a Test date is the minimum time needed for this. Applications received after this time may not be considered.
- **Late entries** - See also Test closing dates. Late entries can only be considered if confirmed ice hire time allows an extra test and judges qualified for that level are already attending the test session.
- **Further Test dates** - Coaches are welcome to contact the test convener to discuss extra or alternate test dates.
- **Non-refundable component and refunds** - \$40 from the test fee may be withheld from a withdrawal after the closing date.
- **The whole test fee is forfeited if the skater does not attend** - without due notice.

Membership requirements

- Skaters are required to have an up-to-date SAISA ISA Skater level membership
- SAISA Aussie Skater level members must **upgrade** their membership to ISA skater when applying for the Preliminary Test. They are only required to pay the difference between Aussie Skate and ISA Skater level.
- Interstate skaters must be approved members of an ISA Member State Association and must apply for permission from their State Secretary
- Member coaches are also eligible to apply for and take these Tests
